# Mounting Styles & Letters

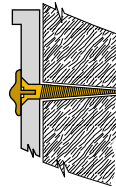

**1. Concealed**  
Threaded stud for concealed mounting to brick, stone or cement.

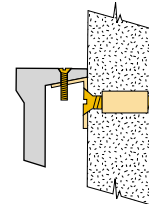

**2. Rosettes & Anchors\***  
Expansion anchors for brick, stone or cement with Rosette covers.

**3. Rosettes & Toggle Bolts\***  
Toggle bolts for hollow wall installation with Rosette covers.

**4. Rosettes & Wood Screws\***  
For installation on wood surfaces with Rosette covers.

**5. Invisible Frame (Additional cost)**  
Angle clips attach to wall by screws, toggles or anchors; machine screws hold plaque to angle clips.

**6. Stake Mount**  
Inserts into ground or concrete.

\* Depending on available space, wood screws and machine screws may be supplied without Rosette covers. Stake mounts, post mounts and other custom installation methods are available on request. Please contact our Customer Service Department.

These are our standard letter styles. Most are available in **Bold**, Light and *Italics*. We can reproduce almost any letter style, even handwriting, through photomechanical means. We can work from your computer disk or camera ready artwork. Please contact our sales department for more information.
